Peek at our Month

Brrrr! It got cold quick! It's a good thing we have a month of fun activities to keep us warm! We're going to be talking Winter and fun in the snow! If your family has any traditions that you would like to share with the class, please feel free to let us know and we will plan some time to make it happen.

In addition to our monthly themes, we'll also have our monthly lessons. Our number is 4, our shape a star and our color will be green. This month, we will cover the letters M, N, O and P.
