

Dear Parents:

Wow! I can't believe summer is almost over. I'd like to take a moment to welcome everyone back from vacation and give a great big welcome to Elizabeth who is moving up from the Waddler room.

As we move into the fall, we are going to start to focus a little more on our letter and number recognition. We will begin to do a letter of the week again. We will also work on the sounds that the letters make. We will continue to work on our colors and shapes as well.

We're also continuing to work on table manners and how we use our plates, cups and silverware. Everyone is doing extremely well and I would like us to be able to get ready, so we can eat family style.

We will also continue to expand our circle time to include several different activities such as stories, finger plays, flannel stories and flash cards. The children have been doing great at listening for a longer period of time.

Olga and I look forward to taking care of your children everyday. Feel free to ask any questions or suggestions that you may have. My hours are 6-3 and Olga's are 8-5.

Thank you,

Kami Wintermute
