A Note From the Office

Hello Everyone-
Well the excitement of Halloween is dying down, but we still have a busy season ahead. We will be busy this month with our food drive and getting ready for Thanksgiving. This is a perfect time of year to teach our children about giving and being kind to others. They will feel so proud to bring in a couple of canned food items. They will get to show their friends what they brought during their circle time. We always encourage children to choose items that they would enjoy to eat themselves, because children in other families are likely to enjoy the same kinds of things. I wish everyone a wonderful Thanksgiving and hope you are able to enjoy delicious food, but more importantly... time with family.
Ms. Michelle & Ms. Rhonda
