A Peek at Our Month

This month we are working on finishing our planets. We got a good start on them last month but we will be finishing them up soon! We will also be learning about our presidents with some fun art. And learn why we celebrate Valentine's day. We are also going to be making some love bugs and other fun crafts. We will also be making groundhogs and learning about this fun day as well.

We will be having a Valentine's Day party on the 14th. It will be at 3pm. We will have a sign-up sheet on the door. Parents are always welcome to attend!!

Upcoming Events

Feb 2nd Groundhogs Day
Feb 14th Valentine's Day
Feb 20th Presidents Day
Feb 28th - Book Orders Due

SPECIAL WELCOMES TO

Nathaniel & Bianca & August

Special Thanks

To Georgia Chapman's parents for donating gummy bears and cookie cutters! Also a special thanks to Emma Nordahl's parents for donating a book

on CD.

Notes from the Teacher:

Just a few quick reminders to please bring home nap sheets and blankets on Fridays to wash. Please make sure that you have extra clothes for your little ones in their boxes with the wet weather we don't want them to get cold if they get wet outside. We would encourage that your little ones have Velcro shoes or slip on shoes. This is the time where there are exploring with taking off and putting back on so it really helps them to learn!!
